NOTE DE SERVICE | MEMORANDUM

DATE: Monday, October 6, 2025

TO: All Clinical Staff

FROM: Laura Moses –Returning Officer

SUBJECT: ELECTIONS 2025 –CLINICAL STAFF REPRESENTATIVE

Wâchiyehkw | Kwey | Bonjour | Hi

This is to inform you that the election of one clinical staff representative on the Board of Directors of the CBHSSJB will be held on November 17, 2025.

Dr Kevin Brousseau's term is coming to an end; he was elected in November 28, 2024, to fill in for the remaining portion of Dr Robert Tremblay three-year mandate. Dr Kevin Brousseau is eligible to run again.

For your information, the definition of clinical staff as per the "Act respecting health services and social services" reads as follows:

"*For the purposes of this Act, a person being the holder of a college or university diploma who occupies a position with the institution characteristic of the field of such diploma and directly connected with health services, social services, research or teaching, and a person who carries the professional activities of a nurse or a nursing assistant is a member of the clinical staff of the establishment."*

Furthermore, the Act respecting health services and social services for Cree Native persons, stipulates under article 54, as follows:

"The powers of the regional council created under this division shall be exercised by a board of directors consisting, among other members of the following:

c) One representative elected for three years, from among and by the members of the clinical staff of the establishment."

Further information will follow in due time.
