

For Macintosh computer:

- When opening the printing window, let **NONE** in «Page scaling».
- Print page 1 on recto, and page 2 on verso.
- Fold in 3 to see the principal title and Cree logo on the top.

For PC computer:

- When opening the printing window, do not mark these 2 options.
- Print page 1 on recto, and page 2 on verso.
- Fold in 3 to see the principal title and Cree logo on the top.
