THROUGH  
Action!**

**DIPLOMA OF COLLEGIAL STUDIES**

## NURSING PROGRAM

The Nursing Program is given in Chibougamau by the Cégep de St-Félicien through the Centre d'études collégiales à **Chibougamau**. It will be launched in August 2012. This Program includes internships which takes place in English speaking hospitals affiliated with **McGill University in Montreal**.

The program is recognized by the **Ordre des infirmières et infirmiers du Québec** and it is given in English. Students will be sponsored by the Post Secondary Financial Assistance Program offered by the **Cree School Board** if they meet the criteria.

## PROGRAM OBJECTIVES

- To enable a person to become competent in the practice of the Nursing Profession
- To prepare students to meet requirements of the O.I.I.Q.
- To promote personal growth and encourage continuing professional development

## FINANCIAL SPONSORSHIP

**Cree School Board Post Secondary**  
Financial sponsorship application deadline :  
**March 1, 2012.**

## JOB OPPORTUNITIES

- **Cree Board of Health and Social Services of James Bay**
- **Hospitals, clinics, doctor's offices, home care programs and private agencies**

## SUPPORT FOR STUDENTS

**Professional staff is on hand** to give the students the support they need to complete the program :

- **Academic** (extra tutoring by teachers, make-up exams, assignments etc.)
- **Personal** (family, health issues etc.)
- **Logistics** (apartments for the students)
- **Day Care** (babysitters)
