*Wachiyeh Niichisaniskwem
Clara Bus & Sophie Air
are coming for
Breast Cancer Screening
Program*

Women aged 50-69 years old
should be tested!

Lynda is a breast cancer survivor and her sister Lucy will book an appointment with her doctor soon to see if she should be screened.

Women aged 30-49 years old:
If your mother and/or your sister(s) had/
have breast cancer, check with your
doctor for more information

Please contact your Chishaayiyuu CHR at your local CMC for more information!

Screening begins...
